Desserts

Jennifer's Peanut Butter Pie
The perfect combination of rich milk chocolate, natural peanut butter, and whipped cream. An outstanding ending to a great meal.

Crème Brulee
Made daily, this is the real deal. Creamy French custard, flavored with natural vanilla bean, then caramelized to perfection.

Diana Torte
We don't know who Diana was, but this is Bistro 234's most popular dessert. A layered vanilla and chocolate ice cream cake encased in a macaroon crust, liberally topped with See's premium English Toffee.

Tiramisu
Traditional, extra moist, Italian espresso layer cake. Savory, sweet, and yummy.

Cheesecake
A deliciously dense New York style cheesecake served with your choice of chocolate or berry toppings.

Florida's Famous Key Lime Pie
Refreshingly light, but satisfying. This savory and sweet concoction is a staple at Bistro 234.

Artisanal Cheese Plate
An assortment of cheeses accompanied with seasonal fruit and sweet honey.
